Tres Valles Lot 25 & 26

10.32 Acres in Tres Valles

These amazing two lots which back to BLM are in the highly desirable Tres Valles gated community.

You see magnificent views of the Spanish Peaks and dike walls that run through the ranch.

This subdivision offers approximately 2,600 acres of common area for pure recreation.

The community features underground utilities, a central water system, seven ponds (2 stocked with fish), jeep trails, horseback riding, and game spotting.
