Spectacular Lot in Forbes Park

1.82 Acres Lot in Forbes Park

Enjoy mountain life in Forbes Park located in the Sangre de Cristo Mountain Range. This lot is 1.82 acres that had a house on it before the Spring fire in 2018.

There is an existing septic system and a well with a hand pump that makes camping on this lot even easier. The lot is located on the main road in Forbes Park and is near the park entrance security gate just before the community center that has bathrooms and showers.

One of the large meadows is across the road that draws elk and deer for you to enjoy viewing.
