Tres Valles Luxury

5 Bedrooms, 4 Bathrooms 4,979 Sqft. 5.31 Acres.

This Magnificent 4979 Square foot SouthWestern Gem is a piece of Artwork with attention to Detail in Every Way Possible. Large South facing windows bring the Majestic Spanish Peaks into the home with Breathtaking Views only found in Southern Colorado. Luxury Finishes include Two Fireplaces, a Wood burning Fireplace Extraordinaire in the Great Room, a Propane Double Sided fireplace in the Master Bedroom and Master Bath with Oversized Tub and Separate Custom Tile Shower. The Den/Office windows are facing Massive Dike Walls, Three Bedrooms upstairs, Two Bedrooms and Family room, an extra Hobby Room in the Walk-out Basement Level which opens to a Beautifully Landscaped Yard with brilliantly colored Flower Beds. This ranch also borders BLM giving you as a homeowner access for hunting. Horses are welcome. The Ranch is Sitting at the Base of Mount Maestes just off LaVeta Pass.
