Aspen Leaf Condo

1 Bed, 1 Bath, 637 Sqft.

This 1 Bedroom/1 Bath Aspen Leaf condo is a beauty! It has a full size kitchen with custom made wood bar, textured walls and ceilings, wood burning fireplace with designer wood mantle, new windows and doors, new light fixtures and electrical upgrades. It is a lower level unit for easy access. Most of furnishings remain. Great mountain views off the decks with aspen and pine trees galore. The condo is within walking distance to Cuchara Mountain Mercantile and Ski Area, Mini-Golf, Frisbee Golf and many hiking trails including Baker trail. The Village of Cuchara is only 3 miles away and has great restaurants and shops. There are four fishing lakes within 10 miles which are Blue Lake, Bear Lake, North Lake and Monument Lake Resort. Potential future HOA assessment.
