Aspen Leaf Village Condo

1 Bed, 1 Bath
637 Sqft.

This upper Aspen Leaf condo has the most incredible views of the mountains from the inside windows and the outside deck! It is a 1 bdrm., 1 bath with a remodeled full kitchen that opens to the living and dining room with a wood burning fireplace. Large deck by the front door with a great sitting area in addition to the deck off the living room. It is being sold as is and the price reflects taking into consideration the cost of any upgrades needed. With a few touches it can be a beauty!
